

**Finding your family 'mojo' and
putting the zing back...**

So, we wondered...how can we put some 'zing' back in to our lives...

We gave it some
thought...

why not try...

So we called
Offshore Sailing School...

and...

...well...can you
notice the difference...

And it doesn't end there...

We've done lots of this...

Got one of these...

and the verdict...

Mojo restored

Thank you
Offshore Sailing
School !
Happy 50th
