Because you get to own and sail it without the hassles of

- Routine Maintenance

- Hull and Liability Insurance

And you get the benefits of

- Monthly lease returns on your investment
- Use of the boat at least four week's each year

## Will The New Owner Be You?

This is a great opportunity for a busy sailor who just doesn't have time for all that goes with yacht ownership.

That's good too, as Offshore Sailing School is adding cruising sail and power cats to its fleet in SW Florida, to keep up with the growing demand for expert instruction on 40'-50' catamarans.
